

Kids Halloween Party

Neighbours in the Lone Pine Alberta area get together over coffee, help each other during the fall harvest, with calving, and even get together for social activities at the local community hall. In the fall months, one of the greatest events was the Kids Halloween Party!

Kids got ready for ghoulish good times at the annual creep-tastic Halloween party! There was snacks, desserts and party games little kids - and big kids – loved!

This rural local event was free and always well attended with at least 60 little Ghosts and Goblins enjoying the games, candy and snacks.

The last Halloween Party was held in October 2017.
